

ANNOUNCEMENTS

Change of Address

After July 15, 1984, correspondence to the Secretary/Treasurer of The Society for Investigative Dermatology, Inc. should be sent to:

Ervin H. Epstein, Jr., M.D.
Secretary/Treasurer
The Society for Investigative Dermatology, Inc.
University of California Dermatology Service
San Francisco General Hospital
Room 269, Building 100
1001 Potrero Street
San Francisco, California 94110

Grants Available

The National Alopecia Areata Foundation is pleased to announce that it will award two grants of \$5,000. each to support basic immunologic research in alopecia areata. Applications for these grants should include protocols for basic immunologic studies in the alopecia. The Medical Advisory Board of the Foundation will select the two most promising research proposals, and the awards will be announced at the Annual National Meeting in Washington, D. C. in December, 1984. Grant applications must be received by September 1, 1984. Applications should be sent to the National Alopecia Foundation, P.O. Box #5027, Mill Valley, California, 94941.

Call for Reviewers

In order to insure that manuscripts sent to the Journal are fairly but thoroughly evaluated, it is essential to have a large pool of good reviewers in a variety of fields. The Editorial Board is in urgent need of such individuals and we ask those readers who feel they can contribute to please contact the Editorial Office. Please send a curriculum vitae and indicate the areas in which you feel competent to review.

The 1985 clinically oriented symposium "*Therapeutic Photomedicine*" of the European Society for Dermatological Research (ESDR) will be held jointly with the Arbeitsgemeinschaft Dermatologische Forschung (ADF), February 20-22, 1985 at Baden/Vienna, Austria.

The symposium consists of lectures given by invited experts and also a limited number of free communications. The main subjects to be covered include basics of terminology, photochemistry, molecular and immunological aspects, therapeutic principles, and long-term hazards of phototherapy.

For further information, write Herbert Honigsmann, M.D., c/o Vienna Academy of Postgraduate Medical Education, Alser Strasse 4, A-1090 Vienna, Austria.

Joint Meeting SCUR/ISD

The Society for Cutaneous Ultrastructure Research and the International Society of Dermatopathology will hold a joint meeting in Florence, Italy, April 17-20, 1985. Members of both Societies, dermatologists, pathologists, and other scientists interested in cutaneous ultrastructure and pathology are invited to participate.

Further information may be obtained from the Organizing Committee: Prof. B. Giannotti, Clinica Dermatologica II, Via della Pergola, 58, 50121 Florence, Italy. Telephone: 55/2478356.

ERRATUM

The name of the second author of the editorial "Ultraviolet Radiation Produces Selective Immune Incompetence" (81:85, 1983) was omitted from the Table of Contents. The author is J. Wayne Streilein.
